In re Application of	:	
Haney et al.	:	
Application No. 10/664,637	:	ON PETITION
Filed: September 19, 2003	:	
Attorney Docket No. P-7627(DIV)	:	

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed July 6, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of the Issue Fee Transmittal with payment of the issue and publication fees; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the response has been accepted as having been unintentionally delayed.

The \$750.00 petition fee initially submitted with the instant petition was inadvertently replenished to the deposit account. Accordingly, \$750.00 will now be charged to petitioner's deposit account, as authorized, to fulfill payment of the petition fee.

This matter is being referred to the Publishing Division for processing into a patent.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3206.
